The Port Authority of New York and New Jersey offers the *E-ZPass* electronic toll collection system in all toll lanes at its tunnels and bridges. Businesses can save money whenever they use *E-ZPass*, but especially during off-peak and weekday overnight hours. Overnight toll rates for trucks with *E-ZPass* are 42% less than the cash toll rate.

An electronic tag affixed to your vehicle sends a radio message to electronic readers in the toll lane. There is no exchange of cash. The toll is automatically deducted from the prepaid account.

No receipts are needed because periodic statements are issued. Businesses can request online or disk statements for easier sorting and recordkeeping.

E-ZPass is accepted in 14 states by 24 toll agencies from Maine to Virginia, and as far west as Illinois. More states are expected to join *E-ZPass* soon. *E-ZPass* tag holders may use their tag wherever the *E-ZPass* logo is displayed.

For an *E-ZPass* application, visit ezpassny.com or ezpassnj.com.

RESTRICTIONS

George Washington Bridge

ALL TRUCKS must use the upper level of the George Washington Bridge. Violators subject to summons and/or fine.

Holland Tunnel

The following restrictions are in-place until further notice:

In Both Directions: NO TRACTOR-TRAILERS, THREE-AXLE DUAL-UNIT TRUCKS, OR TRUCKS WITH FOUR OR MORE AXLES. Only two and three-axle single-unit trucks allowed.

Lincoln Tunnel

NO TRUCKS permitted in the Center Tube of the Lincoln Tunnel.

Propane Restrictions

Propane may not be transported through the Lincoln or Holland tunnels or across the Lower Level of the George Washington Bridge.

E-ZPass Speed Limits

If you pay your toll with *E-ZPass* and use a staffed lane, you must observe the 5 MPH posted speed limit. *E-ZPass* speed limits at our dedicated *E-ZPass* toll lanes vary. For your safety, as well as that of your fellow motorists, and our employees, please observe the posted speed limits at our crossings.

Motorists who speed risk fine and/or summons, points on their license, as well as the suspension or revocation of *E-ZPass* privileges.
